

# JAPONICA PARTNERS

## FACT SHEET – 2020

1. **Founded:** 1988

2. **Raison d'être:** Building a track record creating transformational investments with low risk high return. Japonica's culture is to see what others do not see and to use "education-education-education" to accomplish what others believe is impossible.

3. **Building Blocks of Transformational Investments:** Japonica's transformational investments have three building blocks: discover systemic misconceptions, discover a massive undervaluation, and create extraordinary value.

4. **Transformational Investment Efforts:**

	Role	Tactics
<b>Greek Government Bonds (GGBs)</b>	One of the largest private owners of GGBs, improved Greek government public financial management	\$3.8 billion (€2.9 billion) unmodified Dutch auction tender offer for select GGBs
<b>Sunbeam-Oster Company (SOC)</b>	Majority stockholder and key C-level executive positions (chairman, CEO, and President)	\$1.5 billion turnaround of Fortune 300 SOC
<b>CNW Corp.</b>	Largest stockholder in one of the largest railroad holding companies in North America	\$1.6 billion white knight tender offer and full board proxy for CNW
<b>Allegheny International (AI)</b>	Largest creditor and sole proponent of successful joint plan of reorganization	\$690 million bankruptcy reorganization of Fortune 200 AI
<b>Borden Inc.</b>	Lead sponsor and global institutional investor organizer	\$2.4 billion restructuring proposal of Fortune 100 Borden (withdrawn)
